

# Mio<sup>®</sup> medical device organizer

# Staying organized just got easier

The Mio® medical device organizer from US Endoscopy is ideal for storing medical devices and supplies that can inadvertently fall on the floor, get misplaced, tangled or damaged during procedures.

The Mio® organizer easily adheres where it is convenient:

- counter top
- patient's bedside rail
- endoscopy cart or trolley
- under the mattress

## The Mio® medical device organizer offers:

- Easy setup – keeping devices organized and ready to go in one location
- Three oversized, clear pouches to house a variety of accessories such as biopsy forceps, snares, guidewires, papillotomes, cannulas, etc.
- Wide pouches to minimize device wear & tear and prevent kinking from coiling devices too tightly

For more information on the Mio® medical device organizer, contact US Endoscopy today.
