# ENDOCAM Logic 4K

The new definition of sharp

The new sharp. The new authentic. The new efficient.

- **Original 4K UHD resolution** of 3840 x 2160 pixels
- **Authentic data collection** – no extrapolation
- **"Special Imaging Modes"**  
for enhanced tissue differentiation
- **Improved ergonomic design of the camera head**  
because it is smaller and more lightweight
- **Energy-efficient and optimally tuned system**  
comprising telescopes, camera, and light source
